An aspiring actress says Harvey Weinstein used Oprah Winfrey and Naomi Campbell to dupe her into thinking he would help her with her career — only to use her for sex.

British actress Kadian Noble said Tuesday she was head-over-heels impressed when she first met Weinstein at an event in London because he was hanging out with model Campbell and had megastar Oprah “swinging off his arm.”

## The Clintons, Laura Silsby, Haiti, Amber Alerts & Human Trafficking

Tim Brown - September 20, 2019

There is no doubt that Bill and Hillary Clinton are at the center of a major human trafficking ring, including sex trafficking. But how many remember a woman by the name of Laura Silsby? Silsby, now known as Laura Silsby-Gayler was jailed for the kidnapping of 33 children in Haiti and eventually wound up working for the company that put out Amber Alerts, which were said to be notifications to warn of children who were missing or kidnapped. However, she was provided assistance by none other than Bill and Hillary Clinton.

## Potempa: Reader looking for Oprah's Hummingbird Cake in new cookbook

By PHILIP POTEPA

POST-TRIBUNE

MAR 13, 2020 | 10:06 PM

Everyone is looking forward to the arrival of spring, along with warmer weather and the season's symbols of hope and renewal.

My dad has been busy spending more time in his woodshop making assorted new designs of his birdhouses, which are custom created to attract bluebirds, yellow finches and other assorted songbirds. Another reason he is eager for warmer weather is for the return of hummingbirds, which love to dart and buzz around the front yard hedges of my parents' home, in clear view of the living room picture window, much to the fascination of their 25-pound purebred Maine coon cat Tracker IV.

"I don't see a recipe for it in any of your books. Could it possibly be in your new just released fourth book, the one with the green cover from 2019, rather than in one of the previous books? I have literally turned page for page in all the books and I don't see it. I know you have mentioned in the past that Oprah's personal chef Art Smith had this recipe and it was Oprah's favorite cake for her birthday. I am wondering if you have the actual recipe in one of these books and I just missed it? I have to say that after pouring through your cookbooks yesterday, searching and reading, your books are not just recipe books, but also more like storybooks. When reading The Tribune, my favorite articles are your columns as well as David Haugh's sports writing. You have quite the life, with all the shows you attend to write about for your other columns, as well as the cookbook part of your career. You have met many famous

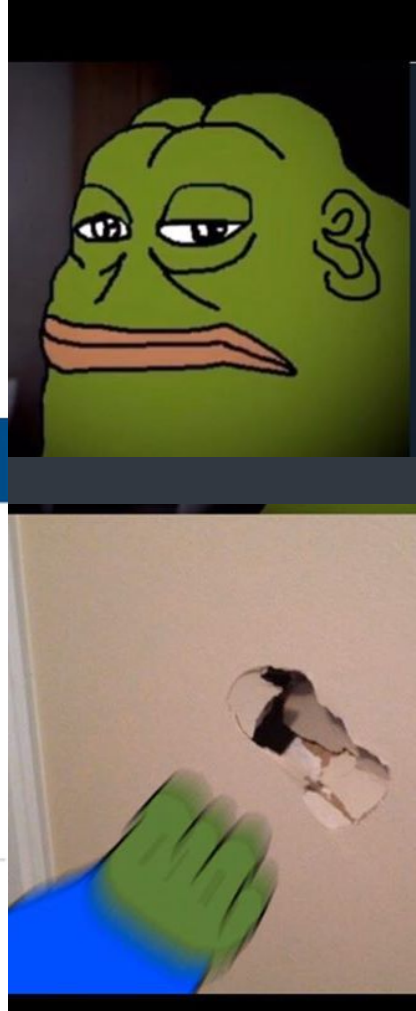

Chef Art Smith, left, and his husband, Jesus Salgueiro, pose with Oprah Winfrey, center, for whom Smith was once a personal chef. The couple will host a family equality brunch in response to the recent anti-gay remarks by Dolce & Gabbana. (George Burns)

Before I could write reader Geri back, she had already done more of her own detective work, including acquiring a copy of my new 2019 "green cover" cookbook "Back From the Farm: Family Recipes and Memories of a Lifetime" (Pediment Press \$35), and she'd also done more further review of the previous three books. She reported back with the following:

"So, here's the scoop. Your red cover book from 2010 titled 'Further From the Farm,' on page six, has a picture of you and Chef Art Smith that was taken from 2004 and the caption reads that you are 'serving up conversation and miniature Hummingbird Cakes.' For some reason, there are two little kids in front of you in chef hats in the picture. And on the same book's back flap of the book jacket, there is a picture of you and Oprah from 2007 on the red carpet for the Broadway in Chicago opening of her musical 'The Color Purple.' HOWEVER, still nowhere is there the recipe for Hummingbird Cake. I will look again through all of the books and the index of each. But I seriously, I just can't find it. — Geri Vizza.

Thank you for contacting me Geri and reminding me about one of my favorite cakes with a famous connection. I first sampled Chef Art Smith's version of the age-old favorite called Hummingbird Cake, when I attended The 16th Annual Chicago Meals on Wheels Celebrity Brunch in April 2004 held at the Chicago Hilton and Towers on Michigan Avenue. I can still recall helping Chef Art wheel about his cart filled with stacked cupcake portions of his scrumptious Hummingbird Cakes showcased as the dessert course, which we served to guests with the help of the two chef garbed children, all captured in that 2004 photograph. I don't recall who the children were who joined us for that photo op, but I do recall that Chef Art served this same recipe for Hummingbird Cake for Oprah's splashy 50th birthday-party bash in January, earlier that same year.

And yes, open my own further review, you are correct Geri that none of my cookbooks ever published Chef Art's recipe. So, at your request, I'm happy to share it with readers to enjoy.
